Welcome to the City of Los Angeles, Department of Recreation and Parks. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
